

Micah Leeson Vacation Planner

By: Miles Lee

Micah has just finished his meeting with his boss and wants to go on a remote trip for work

He has no idea where he wants to go but he knows that he wants to leave the country.

He is disappointed with the ideas of his friends and family as they're all within the country

A stranger finally comes along and tells Micah about Vacation Planner. Micah is rejoiced at the idea of someone having come up with the answer to his problems.

Micah looked into the app and decided it was perfect and packed his bags

Micah found the perfect remote spot to travel to and came back refreshed for work
